

Your Majesty ,

I hope this letter finds Your Highness well. Firstly, I would like to congratulate you on the seventieth anniversary of your coronation. This is a wonderful achievement. I wish you many more years on the throne.

I would like to tell you about myself and my school. My name is Jakub Janowski and I am twelve years old. I live in Leczna in Poland. I go to Tadeusz Kościuszko Primary School in Leczna. It is a big honour to be a part of this place because the patron of our school was one of the bravest and most honourable leaders in the history of our country.

My school is the oldest school in Leczna. My grandfather and also my father were students of this school. This year my school celebrates its fortieth anniversary. My favourite subjects are English and Physical Education. I love to learn and speak English and I try to use British accent, but it is not easy. In Physical Education I especially enjoy playing football and basketball. I am a big fan of Premier League.

I have two dogs. Their names are Sara and Koko. Sara is nine years old and she is a mutt, Koko is one year old. She is a jack Russell terrier. They are very smart.

My dream is to visit London. I am interested in history and culture of Great Britain. I think London is a very interesting place where I can find lots of museums, castles and different entertainment places.

It was a big pleasure and honour to write this letter to Her Majesty. I hope that someday Her Majesty will visit my country.

Yours sincerely,

Jakub Janowski
